

SUMMER RECREATION PROGRAM TOPS LAST YEAR OVER 100 PCT.

The future expansion of the recreation program in Daly City depends entirely upon the facilities made available. This was the opinion today of Elman J. Rose, director of recreation, in summarizing the second summer of the recreation program.

"If we want to have evening baseball for the older folks and afternoon and Saturday crafts and hobby instruction for the youngsters then we need more facilities," he said. "Marchbank Park could easily be provided with more recreational facilities at very little cost. There is still a need for a recreation building, a gymnasium and a baseball diamond."

Rose, who was presented with a citation by the American Legion Post No. 410 last month for his work as recreation director, said he is pleased with the popularity of the recreation department's summer program this year.

Last year the total attendance for the 11-week summer program was 28,601 or an average daily attendance of 447. This year, the second summer for organized recreation in Daly City, the total attendance for the ten-week program was 56,580 — just double — or an average of 943 for each day of the 60 days.

The main reason for the increase in attendance, according to Rose, is that the community is becoming more recreation minded. Also the children are finding that recreation facilities are available during the summer.

In June 1946 the newly organized recreation department started from scratch with little organization and little publicity. This June, after an entire year of planning, the summer program got off to a good start and with more publicity.

Also there were more special events such as the County Fair and the Pet Show. Outings were on a city-wide basis. And there was the addition of a craft instructor. Movies were also held every Tuesday morning.

There were nine city-wide special events this summer. They were vehicle day, field day, play day, pet show, swimming meet, tournament day, craft exhibit, baseball school and boxing tournament. The evening boxing tournament at the high school was the largest attended event of the program. More than 750 parents and friends watched the young boxers battle.

The boys and girls were equally enthused with the city-wide outings which included two Thornton's Beach parties, Golden Gate Park excursion, roller skating party, theater party, Mt. Davidson and Stern Grove hikes, boating and fishing at Lake Merced, baseball game at Seals Stadium, and a trip to Fleishacker Zoo.

Other outings enjoyed by smaller groups included the overnight camping trip to Santa Cruz, the 49er inter-squad football game at San Jose, horseback riding and hikes in the Black Hills.

Craft instruction was introduced for the first time this summer. A new craft was introduced every few days but the most interest was shown in the rubber mold casting, pyro craft, leather craft and decorative papers.

The fall plans of the recreation department are touch football and possibly basketball, track and field events and baseball. Marchbank and Lincoln Parks will be open from 2:30 to 5:30 p. m. daily and from 10 a. m. to 5 p. m. on Saturday. The high school grounds and gym will be open from 10 a. m. to 5 p. m. daily.

Crocker P.T.A. Meets Sept. 17th

The regular meeting of the Crocker P.T.A. will be held next Wednesday, September 17. Elman Rose, of the recreation department, and a representative of the San Mateo Community Chest will be on the program.

A get acquainted reception and tea for mothers of new students will close the afternoon.

FIRE CHIEF QUESTIONS BOYS ON FALSE ALARMS

Three boys — two of them 10 years old and the other 12 years old — have admitted pulling the fire alarm box at the corner of Hillcrest drive and Santa Barbara avenue at 8:09 p. m. last Thursday.

The call was a false alarm and companies 1, 2 and 4 responded. The boys were questioned by Fire Chief Elmer Kennedy.

Senator Knowland Speaks Monday In San Bruno

U.S. Senator William Knowland will talk informally at Uncle Tom's Cabin in San Bruno next Monday evening at 7 p. m. Knowland will talk on the recent accomplishments of Congress and the international situation.

He is scheduled to leave in a few weeks for a tour of Europe in connection with the aid programs. Joe Sarto is making arrangements for the dinner and reservations can be made by phoning JUNiper 7-7171.

Reckless Driver Is Fined \$40 By Judge Sweeney

Victor Frank Torres, of the Marine View Hotel, was fined \$40 by City Judge William J. Sweeney in court on Friday on a charge of reckless driving, speeding and passing through all the signals from Hillcrest drive to Santa Rosa avenue.

On Monday noon Ferruccio Guiffiro, 456 San Diego avenue, backed out of his garage and hit the rear end of a car driven by Howard S. Phillips, 71 Castle street. Phillips was traveling west on Castle street. The accident occurred about 100 feet east of Mission street.

In a similar accident on Friday, Charles Kiger, 232 Downey street, backed into the right rear fender of a car driven by Virgil Hawkins, 1587 Sanchez street. Hawkins was traveling north on Mission street and Kiger was backing out of the Daly City Wreckers.

Lions Club Hears Talk By Head Of S. F. Credit Assn.

William Degliantoni introduced Dan Rowlands, head of the San Francisco Retail Credit Mens Association, to the members of Daly City - Colma Lions Club at their September 10 luncheon meeting held at Estrada's. Rowlands, an interesting speaker, gave the Lions a few slants on the retail credit situation. He said, in part:

"Credit wise or otherwise the time is near when we should learn the economic facts of life. Based on historical review every major war has produced a period of high level business activity followed by a recession or depression — call it what you will.

"Must return to business conducted on a common sense basis. Conflicting forces now at work indicate a very definite change in our financial picture. If proper steps are taken now there should not be too much to worry about.

"Train ourselves and personnel, create new ideas, improve service and get back to the day of courtesy with a smile. Above all justify your confidence in the debtor. Ask yourself these three questions. Does the customer desire to pay? Can the customer pay? What happens if the customer doesn't pay?"

Sixty-five Boys Get Instruction At Baseball School

A summer Peninsula Baseball League for both senior and junior boys is in the process of being organized by Joe Bonowitz, president of the San Mateo County Boys' Boosters. Games would begin early next summer and the various Peninsula clubs would have the benefit of a baseball school with a staff of former big league players.

The latest activity of this baseball school was the instruction given to the Daly City youth last Saturday afternoon in Marchbank Park. Bonowitz brought with him seven instructors, all of whom have played major league baseball. Two of the instructors are now scouts for major league ball clubs.

Some 65 Daly City boys attended the four hour afternoon instruction period. Bonowitz and his staff divided the boys into groups according to the position they played. Each group, such as catcher, pitcher, first baseman, were coached separately by one of the professional players.

Bonowitz, who was in league baseball for 20 years, coached outfield while Benny Deiveros, a Detroit scout and at one time a national league shortstop star, gave the shortstop instruction and taught the boys how to slide without injury. Hal Stoeven coached the first basemen while Walter Leonhardt, chairman of the Junior Booster League, coached the fellows in the outfield along with the help of Mervin Silva. Bob Evans coached at third base while Cookie Pera instructed the pitchers.

Another instructor was Eddie J. Kenna, who is now a scout for Cincinnati and at one time teacher for the great Walter Johnson.

Bonowitz will be back in Daly City with his school next summer and all baseball players will be welcome.

PURCHASE LAND FOR FIESTA SITE

Twenty-five acres of land at the Bay Meadows race track have been purchased for \$25,000 by the board of supervisors for the San Mateo County Fiesta. Thus a long controversy over a permanent home for the county fair has been ended.

The City of San Mateo finally gave in and will change its zoning laws regarding expansion of the runways.

Police Department Pick Up Suspect

William Bouwes, 3 West Cavour street, was released to officers of the Burlingame police department on Thursday afternoon for further questioning in connection with the writing of two checks for a total amount of \$15.

Bouwes was picked up by Daly City police while walking north on Mission street near Vista Grande avenue. He was carrying a large suit case and told police he was hitch hiking to Fresno where he was to catch a Chicago bound train.

He was taken to the Daly City police headquarters and booked en route to Burlingame after Sergeant Todd of the Burlingame police department was contacted.

S. F. Man Faces Reckless Driving Charge Here

Frank William McCarthy, 49 El Verano way, San Francisco, is scheduled to appear tomorrow before Judge William J. Sweeney on a charge of reckless driving while under the influence of liquor. He is now out on \$125 bail.

McCarthy, according to local police, was driving his car south on Mission street from Alp avenue to East Moltke avenue in a very erratic manner early Saturday morning.

When Police Officer Petrocchi sounded his siren McCarthy pulled completely over to the curb on the wrong side of the street, police say.

FIRE COMMISSION REQUESTS CITY TO AMEND ORDINANCES

LOSES PURSE ON BUS TRIP

Mrs. Doris King, 275 Hillcrest drive, reported to the local police on Monday that she lost her purse containing a \$100 Navy check on a bus coming from San Francisco. The purse also contained about \$5 in cash and a marriage certificate.

O.L.P.H. CARNIVAL NEWS

Plans for the annual carnival of Our Lady of Perpetual Help church on September 26, 27 and 28 are going ahead rapidly. The committee chairmen have been meeting with Father William C. Stewart to discuss plans. At the last meeting suggestions flew thick and fast and some hilarious and very practical suggestions came forth. If the enthusiasm of the workers means anything this year's carnival will surpass anything attempted before.

A new feature this year will be the Junior Carnival to be held in the large building behind the church. Plans to keep the children amused sounds like so much fun that this carnival will probably prove a magnet for the parents. Mrs. Valletta Ennis has a very large committee working for her and they have planned a dart game, grab box, fish pond, ring toss, basketball throw and several other games.

The youngsters will have their own coke and candy bar and the Kateri Club is going to stage a Spook Show which should be very popular. Assisting Mrs. Ennis will be the Mesdames Esther Nolan, Helen McDonough, Dorothea Brush, Isabelle Liberti, and Marion Balestreri. There will be many more people added to this committee within the next few weeks.

The new school auditorium will be lined with attractive booths of every description. And there will be very few people who will not go home without a cake, box of candy, groceries or perhaps a beautiful R.C.A. radio console as a souvenir of the carnival.

Delicious home-cooked dinners will be served Saturday and Sunday evenings at a nominal cost. Mrs. C. Michelsen and Mrs. M. Steele are working on the menus. Knowing the cooking reputation of these two ladies, many families are planning to give Mother a two-day vacation and enjoy the dinners.

Several very attractive booths have been added. They are the flower booth, the candy booth and the ham and bacon booth. R. J. Ennis will be in charge of the flower booth, assisted by Mrs. J. Johnson and Mrs. A. Garibaldi. The Holy Name Society will have charge of the ham and bacon booth.

What A Surprise! Says S. F. Man To Desk Sergeant

Roy Urghart, of San Francisco, was surprised when he found \$21 in his pockets while being booked at the local police station early Sunday morning.

L. D. Middagh, a Hill Top cab driver, claimed that Urghart hired his cab to take him to San Francisco but when they arrived in the city Urghart said he had no money but would pay by check.

The cab driver refused to accept the check and brought the customer back to Daly City.

While at the local police station Urghart was surprised at finding the \$21 in currency in his pocket. He paid the cab driver \$9 for the rides.

At the regular session of the Daly City Council held Monday, September 8, convening at 8:15 p. m. in the City hall Councilmen Dennis, McHugh, and Mayor Battye were noted present with Councilmen Gaggero and Craig being absent.

A communication was received from the fire commissioners requesting the city council to amend present ordinances in order to provide for the fire department one chief, one assistant chief, two battalion chiefs, and one fire marshal.

A motion by Dennis was seconded by McHugh directing the preparation of amending the ordinance providing the changes asked for by the fire commissioners. It was unanimously passed.

The resignations of Henry Sundermann jr. and Ricco Benedetti from the Daly City Fire Department were accepted.

A communication from R. A. Klassen, city engineer, was read certifying completion of street work by Eaton and Smith on Whittier street between Hanover and Bellevue excepting sidewalks in substantial compliance with plans and specifications therefor. Another communication read and ordered filed was the completion of street work by Charles L. Harney on the westerly side of Niantic avenue north of Parkview avenue.

The Real Estate department of the City and County of San Francisco sent a communication requesting the passage of a resolution granting the city of San Francisco the right to install a sixty (60) inch diameter steel pipeline along portions of Dunks street and 90th street within the limits of Daly City. The matter was referred to the city engineer and city attorney.

A communication was received from the State Department of Public Works outlining procedure in preparing project agreements budgeting funds for streets of major importance. The matter was referred to the city engineer.

In the matter of the passage of Ordinance No. 273, changing the classification of lots 12 and 13, Metropolis Homestead subdivision from residential to commercial R. J. McKenna, 448 Miriam street, addressed the council in opposition to the classification or change of status of the lots under discussion on the grounds that the residential character of the immediate neighborhood would be altered. C. S. Terry, 101 Citrus avenue; T. J. Ny, 415 Miriam street; E. B. King, 478 Miriam street; C. N. Harris, 468 Miriam street, property owners, supported Mr. McKenna in his opposition.

Ordinance No. 273, an ordinance introduced August 25, 1947, and providing for the change of zone classification on lots 12 and 13, block 1, Metropolis Homestead subdivision was read by the City Clerk. A motion by Councilman McHugh and seconded by Councilman Dennis adopting and passing Ordinance No. 273 was passed by the following vote: Ayes, Dennis, McHugh, Battye; Noes, None; Absent, Gaggero, Craig.

Five bids were received for the improvement of streetwork in the Hillside Manor district from T and B Construction Co., Fay Improvement Co., M. Weber, Charles L. Harney, Inc., and Eaton and Smith. By unanimous vote of the council the matter was laid over until the next meeting.

Charles L. Harney Inc., Fay Improvement Co., Eaton and Smith, and T & B Construction also submitted bids for the improvement of streetwork on Woodrow street. This matter will also be discussed at the following meeting.

Resolution No. 992 pertaining to changing and modifying proceedings on Woodrow Street improvements was passed by unanimous vote.

ECONOMY SOMEDAY—MAYBE

In spite of all the talk about substantially reducing the overgrown bureaucracy in Washington little progress has been made toward that end. And it is becoming apparent that it will take something more than the half-hearted efforts made thus far to do it.

Bureaucrats know all the tricks about keeping their staffs at a maximum whether needed or not. For instance, when Congress refused to grant an increase to the Customs division the head of that department immediately laid off a large number of customs inspectors even though there wasn't the slightest justification for doing so. He was subsequently removed for this act, but was given another post in Washington.

But Washington isn't the only place where bureaucrats know all the tricks. We needn't look any farther than Sacramento. Not long ago when a simplified plan for collecting highway carrier taxes was proposed the Board of Equalization turned its guns on it and the plan was defeated in the Legislature. The plan would have reduced the number of Board employees by substituting another tax for the cumbersome and costly-to-collect gross receipts tax now collected by the Board. The State would have received just as much in revenue and the taxpayers would have been saved half a million dollars annually in reduced payroll expenses.

But whether it's Washington or Sacramento or some other place, bureaucrats will act like bureaucrats until citizens force them to serve the public interest first.

POLITICAL STRAWS

Of one thing you can be sure: the Presidential election of November 1948 will be "held" many times between now and then by means of the straw ballot. And if memory serves us right many of the "straws" in the past came remarkably close to the final result.

Anyway, the straw vote season is in full swing already. (Apparently the sentiment samplers see no point in waiting until next year.) One of the latest surveys was made by Fortune Magazine. According to that survey Tom Dewey of New York (surely, you've heard of him) would now be the President if the election had been held within the last few weeks and if Tom had been the Republican nominee.

The New York Governor, said the magazine, got 45 per cent of the votes in the sample poll while a man named Harry Truman (that name is familiar) got 43 per cent. It does not seem wise, however, for Mr. Dewey to get his bags packed and buy a ticket for Washington yet. The reason is that in March a similar survey gave the same Mr. Truman only 28 per cent of the votes and the same Mr. Dewey 50 per cent. At this point Mr. T. seems to be catching up, but whether he really makes the "catch" remains to be seen just about 14 months from now.

As for Mr. Dewey, he still has to win the GOP nomination. And that may prove even harder than winning the election, if he is nominated.

SURE SIGNS OF AUTUMN

Officially, autumn will not drop in on us for its annual visit until the 23rd of September. But there are already many indications that it is close at hand.

The fields are yellow with the harvest, the night air begins to take on a chill, the brown and gold and red of autumn are painted on the leaves as they dry and drift to the ground. The sun gets up later and goes down earlier.

And there are other indications. The professional football season is already under way and the colleges are about ready to start the pigskin warfare. The New York Yankees are selling tickets for the World Series while their nearby rivals, the Brooklyn Dodgers, hope they can do the same before long.

Summer resorts are closing for the season. Winter resorts are getting ready for their busy days not far ahead.

Yes, autumn with all its mellow beauty and its lively events is just about here. Welcome back!

PLEASANT PACE

With the Army, Navy and Marine Corps breaking the world airplane speed record with almost monotonous regularity, and with large and small sky ships flashing through the "wide blue yonder" to hang up new times from this point to that, it's rather relaxing to read about the two former AAF pilots who are flying around the world in leisurely fashion. They left New Jersey in their two light planes on August 8. As this is written they have traveled no farther than Western Europe. At that rate they'll do well to get home by Christmas. But when they do get home they'll be able to say that they have really seen the world—which is a lot more than some pilots can say who have circled the globe in breath-taking time.

Fines And Jail Sentences Meted Out By City Judge

George Adams, 56, 163 De Long street, was fined \$125 in city court last Friday afternoon for driving while under the influence of liquor. Adams was originally charged with injury to a person while driving under the influence of liquor but upon recommendation of the district attorney the charge was reduced to drunk driving.

Adams was the alleged driver of a car which crashed into another car at the corner of San Jose avenue and Bepler street on Labor Day. Mrs. Lillian Roessel, 64, of Menlo Park, suffered critical injuries as a result of the intersection collision. She was a passenger in a car driven by her husband, William Roessel, 71.

Mrs. Roessel is now under treatment at Junipero Serra Hospital for side and back injuries.

Robert Silicani, 452 Irvington, was sentenced by Judge Sweeney to serve six months in the county jail on a charge of vagrancy. According to the police report, Silicani was apprehended by Daly City police while running through the alley in the Mission Auto Court.

Silicani was taken to the court office where Mrs. Nellie Phelps is assertedly said to have identified Silicani as the man who stuck his head under the shower door while she was taking a shower.

William Harrington, 133½ Ripley street, was fined \$25 for reckless driving.

The charge of being drunk in a public place against Edward L. Martin, 3385 22nd street, was dismissed.

The \$20 bail of Frank A. Gilman, of Needles, was ordered forfeited. Gilman was charged with speeding south on Mission street early in June.

Two other \$10 bails were ordered forfeited because of non appearance. Frank Marino, 479A 29th street, was charged with violating the hill hold and double parking regulations. Thomas Gunn, 1301 Church street, was charged with being under the influence of liquor at Hillcrest drive and Mission street on August 30.

Dolores Wakefield And Kenneth Asman Unite In Marriage

Miss Dolores Wakefield, daughter of Mr. and Mrs. O. L. Wakefield, 475 Evergreen street, and Mr. Kenneth L. Asman, of Santa Rosa, were united in marriage on Saturday afternoon at the Grace Presbyterian church. Dr. William Harberts officiated at the single ring ceremony.

Miss Mary Young, of Benecia, cousin of the bride, acted as bride's maid. Best man was Glenn Rapal-yea of San Mateo.

Following a honeymoon trip the couple will live in Santa Rosa.

Arthur Johnson May Oppose Jack Anderson

Arthur Johnson, San Jose attorney, may be the Democratic candidate to oppose Congressman John Z. Anderson of the eighth district in the primary election next June. Johnson, who opposed Anderson three years ago, seems to be the first choice of the Democratic Central Committee of San Mateo County.

The various Democratic County Committees of the eighth Congressional District met in San Jose on September 3 to discuss candidates. Johnson was nominated as a possible candidate by Julius F. Castellan, of Daly City, chairman of the San Mateo County Committee.

Other possible candidates to run in the congressional race are William I. Farmer, personnel manager for a South San Francisco industrial firm; Patrick Kearns, mayor of San Carlos; and Jonathan Rowell, Woodside attorney.

Daly City was represented at the San Jose meeting by Castellan and Frank Kent. There were 40 prominent Democrats of the four counties in attendance.

An official candidate for the Democratic organization was not selected but it is believed that the candidate will be announced on October 1, when the four county committee members will meet again.

In other political activity last week 40 San Mateo county AFL groups organized a political education committee. The unannounced purpose of the group is to plan a campaign to unseat Congressman Anderson for his vote on the labor law. This follows the work of the AFL nationally, who called for defeat of all "anti labor" congressmen.

While the Democrats and labor members are looking for a candidate they plan an intensive campaign for voter registration and

Com. Chest Drive Starts October 6

A two week intensive drive to raise \$201,000 for the San Mateo County Community Chest will start on October 6, James J. Kehoe, general chairman, announced on Saturday.

The Community Chest brings together seven campaigns in one annual effort. The drive is held on behalf of the County Blood Bank, Preventorium, Boy Scouts, Girl Scouts, Council of Social Agencies, YMCA, and Catholic Social Service.

"Studies indicate that four out of ten families benefit directly each year from these services," Kehoe pointed out. "Everybody in the community benefits when families are held together, sickness is cured or prevented, young people are kept from being delinquent and the aged are given care."

"Since everyone does benefit, then everybody has a responsibility to contribute to the support of these agencies. I hope that the response to the Community Chest appeal this year will be so great and spontaneous that there never will be any doubt that we will surpass our goal."

education throughout the district. One group composed largely of CIO and AFL unions already has announced a registration drive.

Big engines... long trains

mean lower cost to you!

But union leaders want "half-trains - double crews!"

Big locomotives are built to do a big job in the big country which is America—a big job in peacetime as in wartime. They are built to pull long trains.

Long freight trains can handle more goods at less cost—to you—than short trains.

Long trains mean fewer trains—fewer chances for accidents—fewer interruptions to traffic.

But a few railroad union leaders oppose long trains—among their current 44 demands for changes in rules is one limiting the length of freight trains to 57 average cars. Why do they demand this?

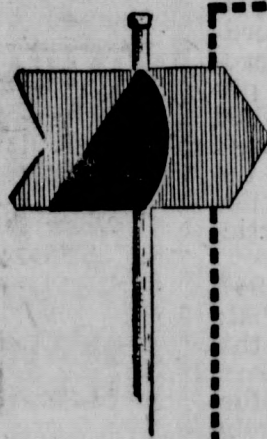

For "safety," they say. But is it?

Government figures show definitely that long trains mean greater safety to railroad employees and public alike.

Then, if safety is not the real reason—what is the reason behind this demand?

It is to make more jobs which are not needed—to get more pay! This "made work" would be sheer waste. Think of big, modern locomotives using only half their power.

For this waste, you—the public—would have to pay. Higher costs mean a lower standard of living for everybody. Nobody wants that!

Here's the record...

In the quarter century... 1921-1946...

Average length of freight trains has gone up.....	39%
Average speed of freight trains has gone up..	39%
The rate of injuries to railroad employees has gone down.....	60%
Average wages paid railroad workers have gone up.....	84%
Price of railroad materials and supplies has gone up.....	58%
Railroad taxes have gone up.....	76%

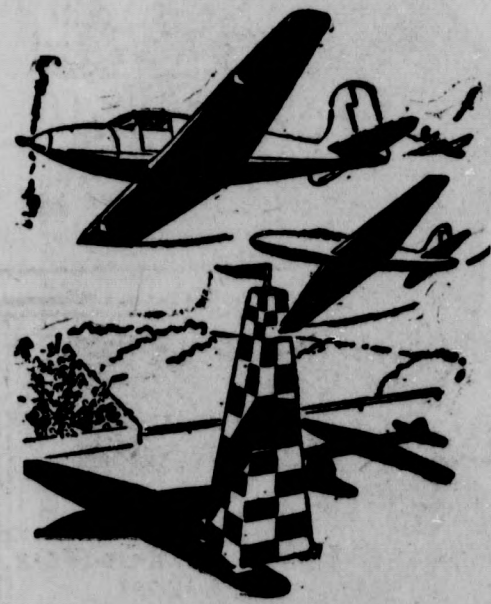

But the average charge by railroads for hauling a ton of freight one mile has gone down..... **23%**

Mothers' Club Of O.L.P.H. School Meets Sept. 12th

The Mothers' Club of Our Lady of Perpetual Help school will hold its first meeting of the new term September 12 at 8 o'clock in the library of the new school. Mothers of new students and ladies interested in the welfare of the children are invited to attend.

As this will be the first meeting in the new school, many of the original members of the Mothers' Club, which was organized in October, 1939, are expected so it will be a time of reunion for many old friends.

Mrs. Elizabeth Powers, hospital-ity chairman, assisted by the officers, has planned an enjoyable social evening, after the business meeting, to pay respect to the many charter members and to welcome new members.

Dove Season

Although California's Dove Season opened September 1, National Automobile Club reminds hunters that Imperial county is an exception and does not open until October 1. Sportsmen will be interested in the knowledge that there are many doves in the north end of Imperial Valley, with large concentrations in the Seeley, Calexico and Holtville areas.

Ordinance No. 273

AN ORDINANCE AMENDING ORDINANCE NO. 176 OF THE CITY OF DALY CITY, RELATING TO THE CLASSIFICATION OF LANDS; AND RECLASSIFYING CERTAIN PROPERTY FROM RESIDENTIAL TO COMMERCIAL

The City Council of the City of Daly City do ordain as follows:

Section 1. Section IV of Ordinance No. 176 of the City of Daly City is hereby amended by deleting therefrom the following described property, to-wit:

Lots 12 and 13, Block 1, Metropolitan Homestead Subdivision.

Section 2. Section VI of Ordinance No. 176 of the City of Daly City is hereby amended by adding thereto the following described property to Commercial District, to-wit:

Lots 12 and 13, Block 1, Metropolitan Homestead Subdivision.

Section 3. This ordinance shall be published once in the Daly City Record, a newspaper published weekly in said City of Daly City, California, and shall take effect and be in force at the expiration of thirty (30) days from and after its passage.

Introduced this 25th day of August, 1947.

Passed and adopted as an ordinance of the City of Daly City, the 8th day of September, 1947, by the following vote, to-wit:

AYES, Councilmen Dennis, McHugh, Battye.

NOES, Councilmen None.

ABSENT, Councilmen Gaggero, Craig.

MELFORD D. BATTYE
Mayor of the City of Daly City

ATTEST:
B. C. ROSS
City Clerk of the City of Daly City
(Pub. Sept. 11, 1947.)

Winning Ways With Winter Vegetables

TEMPTING ways to step up winter meals are yours for the taking with the variety of winter vegetables being offered now and throughout the season. Vegetables from home gardens, truck farms or from wherever they're shipped in, with a little market snooping you should be able to produce most of them with no difficulty.

Golden carrots, crimson beets, cabbage, red and green, cream colored parsnips, egg plants, deep in purple, artichokes, tiny brussels sprouts, cauliflower, celery, and potatoes both white and sweet, spinach, winter squash, turnips and rutabagas, all will be available to be plain-cooked the first few times you serve them. But it's on return engagements that we yearn for new seasonings, different sauces, tasty stuffings and little tricks to give vegetables a new lift.

It's so easy to bolster family morale with a sauce cooked to a rich goodness over a top burner on your gas range. How about Raisin Glazed Carrots as a palate pleaser?

Or, whole cabbage hollowed out, gently cooked to retain its shape, and then stuffed with nicely seasoned chopped meat. Remember the carrot recipe calls for sugar (but only 1/2 cup) and since there's not too much liquid left in the final cooking the sugar will burn if you don't keep your flame constantly turned to low speed. Not difficult to do, is it, since burner valves of modern ranges are so easy to control.

Raisin Glazed Carrots

2 bunches carrots
1 cup water
1/2 cup brown sugar
1/4 cup butter or margarine
1/2 cup raisins

Pare carrots. Leave whole and add water. Bring to rolling boil over full flame. Cook 10 minutes. Measure water—there should be 1/2 cup. Combine carrot liquor, sugar and butter or margarine. Bring to boil over a medium flame. Add carrots. Turn flame to low. Cover and cook for about 15-20 minutes, or until tender. Add raisins and cook for 5 minutes. Serves 6.

That Blind Spot

Resolution No. 992 OF INTENTION TO CHANGE AND MODIFY PROCEEDINGS WOODROW STREET

RESOLVED, by the Council of the City of Daly City, California, that

1. The public interest and convenience require and it is the intention of this Council that the estimated cost of the work proposed to be done under Resolution of Intention No. 1947-1, adopted by it on July 28, 1947, be changed from \$4,420.04 to \$4756.09 and that the total amount of the assessment upon properties benefited by said proposed work be changed from \$5,700.37 to \$6036.42, that the estimate of costs be changed accordingly, and that the individual proposed assessments be changed pro rata accordingly, all as contained in the Engineer's Report on said project on file in the office of the City Clerk and to which reference is hereby made for further particulars.

2. Monday, September 22, 1947, at the hour of 8:00 o'clock P.M., at the regular meeting of this Council, in the Council Chambers, in the City Hall, Daly City, California, be and the same are hereby fixed as the time and place when and where the Council will consider the matter of ordering said changes and any and all persons interested therein may be heard.

3. That a copy of this Resolution shall be published once in the Daly City Record, a newspaper published and circulated in said City, and in which the Resolution of Intention was published.

I hereby certify that the foregoing resolution was passed by the City Council of the City of Daly City at a meeting thereof duly held on the 8th day of September, 1947, by the following vote:

AYES, and in favor thereof, Councilmen: Dennis, McHugh, Battye.

NOES, Councilmen: None.

ABSENT, Councilmen: Gaggero, Craig.

Sewing Club Is Entertained By Mrs. Mae Miller

Mrs. Mae Miller entertained the members of the Royal Neighbors of America Sewing club at her home, 360 Arlington street, Tuesday evening, September 9.

Mrs. Cora Ray and Mrs. Pat Severiotti conducted the business meeting. Mrs. Severiotti donated a table cloth to the club.

The guests enjoyed an evening of Dutch whist after the business session. Delicious refreshments of fruit jello, cake and coffee were served.

In addition to the hostess, those present were Mesdames Nellie Allen, Geraldine Allen, Lillian Thomey, Rhoda Rachor, Pat Severiotti, Marie Thompson, Laura McKenzie, Marie Ruecker, Agnes Wood, Cora Ray, Elizabeth Sorensen, Annie Smith, Cinderella Weller, Johanna Hedvall, Grace Coolish, Margaret Heaton, Lois Storm and Marie Currey.

The October meeting of the club will be held at the home of Mrs. Nellie Allen, 167 Peoria street.

THE DALY CITY RECORD

3317 San Jose Avenue

Set \$201,000 As Goal For 1948 Community Chest

The San Mateo County Community Chest will hold its 8-in-one campaign from October 6, for a two-week intensive drive, it was announced today by James J. Kehoe, general chairman of the campaign. This year's county goal is \$201,000.

San Mateo county will be joining with the rest of America in holding its Community Chest campaign for the support of Red Feather services during the fall. Kehoe pointed out. Nearly 1,000 other similar campaigns will be held in as many cities and counties during the next month or six weeks. Together they will raise more than \$170,000,000.

In San Mateo county the Community Chest campaign is held on behalf of the following agencies:

San Mateo County Blood Bank, San Mateo Preventorium, Boy Scouts of America, Girl Scouts (five councils), Council of Social Agencies, Young Men's Christian Association (Peninsula branch), Young Men's Christian Association (Sequoia branch), San Mateo County Catholic Social Service.

"The Community Chest brings together eight potential campaigns in one annual effort," James J. Kehoe said. "It makes for greater efficiency and economy of operation. It conserves the time of the unpaid volunteers who work in the campaign to raise funds. It spares the citizens of San Mateo county from being importuned for funds by each of these agencies separately, which is what would happen if they were not federated for fund raising in the Community Chest."

The goal of the Community Chest this year is the minimum amount on which the Red Feather agencies can operate during 1948, Kehoe pointed out. The budgets of these services are carefully scrutinized by committees of representative citizens, he said.

"Not even in business is such painstaking care exercised in the expenditure of funds," he said. "And the cost of operating the Community Chest, both year round and through campaign, amounts to a small percentage of the money raised. Any business would be happy to operate on such a low amount."

"All but a handful of professional

people who work on the drive are unpaid volunteers. Much of the work of the Red Feather services also is possible through the use of volunteers who are willing to give their time and talents without charge.

"Studies indicate that four out of ten families benefit directly each year from these services," he said. "Everybody in the community benefits when families are held together, sickness is cured or prevented, young people are kept from being delinquent and the aged are given care."

"Since everybody does benefit, then everybody has a responsibility to contribute to the support of these agencies. I hope that the response to the Community Chest appeal this year will be so great and spontaneous that there never will be any doubt that we will surpass our goal."

Junior College Students Using New Campus Site

With a good part of its students making use of the new campus at Coyote Point, San Mateo Junior College opens its 26th year with increased facilities, including a student union, a second gym, added offices and classrooms, dormitories for single men, extra athletic fields, a dining hall, and a swimming pool. Registration for old and new students took place this Wednesday and Thursday, although many late comers are expected next week.

Eighty-three instructors met at a faculty meeting with President Charles Morris last Saturday, and full plans for the fall semester opening on three campuses were discussed. On the same day, entrance examinations were given to a large number of new students. These tests will be repeated next week for late comers.

Students drawn from the entire county have, through their fall term officers, already laid the groundwork for a busy social and

athletic season, starting almost immediately with a dance at Coyote Point, a tea to welcome new girls, a smoker to welcome new men, and a sign-up for fall sports.

Football will be the first sport started, with Coaches Muris McFadden and Lee Bissett calling a meeting of all candidates for the squad this Friday noon. Three weeks later the local Bulldogs open their schedule with a night game at Santa Rosa jaysee, while the final game as now scheduled will be at San Bernardino JC. on November 29.

SCHOOL BOND ELECTION NOTICE

NOTICE IS HEREBY GIVEN to the qualified electors of JEFFERSON ELEMENTARY SCHOOL DISTRICT, an Elementary School District of the County of San Mateo, State of California, that in accordance with law, an election will be held on the 26th day of SEPTEMBER, 1947, at those certain buildings designated as follows:

In Precinct No. 1, as hereinafter described, at the CROCKER SCHOOL located at number 649 Bellevue Avenue in Daly City; in Precinct No. 2, as hereinafter described, at the WOODROW WILSON SCHOOL located at number 344 Santa Barbara Avenue in Daly City; in Precinct No. 3, as hereinafter described, at the JEFFERSON SCHOOL located at number 14 Alemany Boulevard in Daly City; and in Precinct No. 4, as hereinafter described, at the Private Garage located at number 904 Washington Street at Broadmoor in Colma, all in said District, between the hours of 6:00 o'clock A.M. and 7:00 o'clock P.M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said district to the amount of Three Hundred Forty-Eight Thousand Dollars (\$348,000.00), for the purpose of raising money for the following purposes:

1. The purchasing of school lots;
2. The building or purchasing of school buildings;
3. The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs;
4. The supplying of school buildings with furniture or necessary apparatus of a permanent nature; and
5. The permanent improvement of the school grounds.

All the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

The said bonds thereunder to be issued and sold shall be of the denomination of One Thousand Dollars (\$1,000.00) each, and shall bear interest at the rate of not more than five per cent (5%) per annum, payable annually for the first year the bonds have to run and semi-annually thereafter, and said bonds shall be numbered from 1 to 348, consecutively, payable as follows:

Bond Numbers	Principal Amount	Maturity
1 to 14	\$14,000.00	November 1, 1948
15 to 28	14,000.00	November 1, 1949
29 to 42	14,000.00	November 1, 1950
43 to 56	14,000.00	November 1, 1951
57 to 70	14,000.00	November 1, 1952
71 to 84	14,000.00	November 1, 1953
85 to 98	14,000.00	November 1, 1954
99 to 112	14,000.00	November 1, 1955
113 to 126	14,000.00	November 1, 1956
127 to 140	14,000.00	November 1, 1957
141 to 154	14,000.00	November 1, 1958
155 to 168	14,000.00	November 1, 1959
169 to 182	14,000.00	November 1, 1960
183 to 196	14,000.00	November 1, 1961
197 to 210	14,000.00	November 1, 1962
211 to 224	14,000.00	November 1, 1963
225 to 238	14,000.00	November 1, 1964
239 to 252	14,000.00	November 1, 1965
253 to 266	14,000.00	November 1, 1966
267 to 280	14,000.00	November 1, 1967
281 to 294	14,000.00	November 1, 1968
295 to 308	14,000.00	November 1, 1969
309 to 322	14,000.00	November 1, 1970
323 to 335	13,000.00	November 1, 1971
336 to 348	13,000.00	November 1, 1972

That all the territory within the exterior boundaries of the Jefferson Elementary School District shall be and the same is hereby subdivided into four (4) election precincts, which said precincts shall be as follows, to-wit:

Precinct No. 1, CROCKER SCHOOL in Daly City shall include and consist of the following: All that territory within the said Jefferson Elementary School District being more particularly described as including therein San Mateo County Election Precincts designated as

Men at Work

Watch out for construction work on California's highways and "Take It Easy" when approaching a construction zone, warns the California State Automobile Association. There may be men working in the traffic lane, or slow-moving construction equipment may be on the road.

Mono Fishing

Fishing is reported fair on Upper Rock Creek, by National Automobile Club in a review of fishing conditions in Mono county. Some good reports are also coming from back lakes above Silver Lake, although fish taken from the lakes are small.

AMVETS Post Is Slated For The Peninsula

The first post of the American Veterans of World War II, the AMVETS, is soon to be established on the Peninsula. James J. Kehoe, San Mateo postmaster, has been appointed acting post commander of the San Mateo Post of the AMVETS.

The AMVETS is the only World War II veterans organization chartered by Congress. Membership is limited exclusively to honorably discharged veterans of World War II who had full military status.

Kehoe, who served as a lieutenant in the U.S. Navy Reserve during the war, is a member of the American Legion and a senior vice commander of the San Mateo Post, Veterans of Foreign Wars.

Pack 36, B.S.A. Hold Their First Fall Meeting

The first fall meeting of Pack 36, B.S.A., met at the St. Francis Community church Tuesday night where plans were made for the balance of the year. Joe Springer of the Pacific Rod and Gun Club addressed the boys regarding amputee cases at Letterman Hospital, and it was unanimously agreed by the Pack that the Pack sponsor a fishing trip for some of these boys who would not otherwise be able to take part in the sport of fishing.

Bob Simmons from the Tidewater Associated Oil Company showed movies at the close of the meeting. Jerry Wacks, Bill Christie and Dick Hopman attended from Den 16. The next meeting of Den 16 will be held at the home of Mrs. R. Christie, Den Mother, at 130 East Vista avenue, on Friday afternoon.

Jeff High P.T.A. Met Thursday

The regular executive board meeting of the Jefferson Union High School P.T.A. was held at the home of Mrs. Eva Hobbs, 8 Risel street, last Thursday. Mrs. Mildred McGeein was co-hostess.

After a delicious lunch a short business meeting was held. The budget was discussed and the outline of the fall program was read.

The next regular meeting of the P.T.A. will be this afternoon in the Little Theater at the high school. Mrs. Hobbs announced a speaker from the Red Cross will speak to the members about the Community Chest drive which will start in October.

The October executive board meeting will be held at the home of Mrs. Catherine Foreman, 35 Woodrow street, on October 2, with Mrs. Mary Crane and Mrs. Marge Calvin, co-hostesses.

Marriage Licenses

Jack Craig, 22, 707 Brunswick street, and Mary Poseley, 19, Capitola, California.

Verner Carlsen, 29, Boulder Creek, and Louise Christiansen, 31, Daly City.

Robert Harper, 29, 32 Caseli avenue, and Maximae Morris, 27, Daly City.

Speeding Fines Head List At Traffic Court

James David Jones, 21, of Colma, was fined \$10 for speeding along Mission street by City Judge William J. Sweeney in traffic court last Friday. Patrolman Walsh, when he issued the citation on August 31, said that Jones was traveling about 50 miles per hour in the 25 mile an hour Mission street zone.

Speeding fines of \$7.50 were issued to Casper Hexberg, George Kirchhoff, Levi Newton, Martha Nye, Ralph Hollingsworth and Pat Berryssa. Five dollar speeding fines were assessed to Alta Anderson, Lloyd Brooks, Roy Chambers, John Dole, Louberta Fraser, Richard Goodare, Alfred Grissett, William Jones, Teresa Larson, Woodrow Miller, Alfred Rahwiler, Aaron Raboff, Alfred Santos, Alex Sokal, Elverne Sturtevant, Naomi Strause, William Aitken, Fred Vigme, William Biggs, David Silva, and Rodney Pollard.

Grace Doyle, Albert Schmidt and William Parks were each fined \$2.50 for speeding, while Miss Gertrude Jenkins was fined \$3.50.

The Rose Food Store was fined \$1 for overnight parking.

Karl Barret, Henry Miner, Ernest Spates, Emma Stegen, Oral Adams, Eugene Donaghue, and Andrew Handlan were each fined \$2.50 for passing through a signal.

Juan Dacanay, 238 Myrthe street, was fined \$5 for violating the hill hold regulation. His car ran down the Crocker street hill on the afternoon of August 31 and hit a car. Property damage has been estimated at \$350.

Other hill hold citations were given to Neva Fuller, Dan Hamilton, Robert Willis, Nick Marcelli, and Forrest Wilson. Each fine was for \$2.50.

Citations for overtime parking

Visitor From Canada At Forest Home

The Forest family was a very happy one upon the recent arrival of Mrs. Fagney Descheneaux of Montreal, Canada, at their home at 599 Niantic avenue. Mrs. Descheneaux is the mother of Mrs. Ida Forest and the grandmother of Alice and Lawrence Forest. She came by air and plans to stay until January.

Race Driver Dies In Accident At Bayshore Stadium

Death closed the career of one of the top racing drivers of the state on Friday. Francis Lynn Deister, 39, of Newark, was thrown out of his racer in a crackup at Bayshore Stadium in Bayshore City. He died of a broken neck and skull fracture while en route to Junipero Serra Hospital.

Deister's racer flipped over four times after its front wheels locked with another car on the south turn. Deister was thrown out of his car and then crushed beneath it. More than 2500 racing fans saw the accident.

He is survived by his wife, Kathleen, and his parents. Funeral arrangements were made by Lasswell & Co. Interment will be in Centerville.

were issued to: Walter Bailey, Americo Bollentini, Bruno Brasesco, Louis Caverllaro, Marshall Christensen, Sophia Clawson, G. Clapper, Mrs. R. E. Damon, Roddy Dawe, Thomas Gallen, M. E. Harty, Stanley Hausholder, Joe Klacker, Thomas Malloney, Frank Markus, Joe Robinson, Bob Skinner, Ethel Woolf, and Elsie Young.

Supervisors Call For Bids On Three County Projects

Bids have been ordered by the county board of supervisors on \$320,000 worth of bonds voted last November for the county juvenile home, the relief home and the Community Hospital. Of the bond issue total, \$75,000 is slated to be used for the juvenile home while \$130,000 is for the relief home and \$115,000 for Community Hospital construction.

The supervisors announced that they were calling for the bid in one sum because a lower interest rate could be obtained than would be possible if the three bonds were issued separately. The board is scheduled to open bids next Tuesday on the construction of the juvenile home.

In other actions, the board also approved a resolution which would authorize the issuance and sale of one million dollar tax reduction notes. The notes will be used to tide the county over until tax collections of the 1947-48 fiscal year start coming in. Bids on these notes were opened yesterday.

Designated County Engineer H. A. Grant as road commissioner, thus making the county eligible for \$20,000 road department salaries under the Collier Burns Highway Act.

Transferred the Medical Welfare Section from the County Health Department to the Special Services Department.

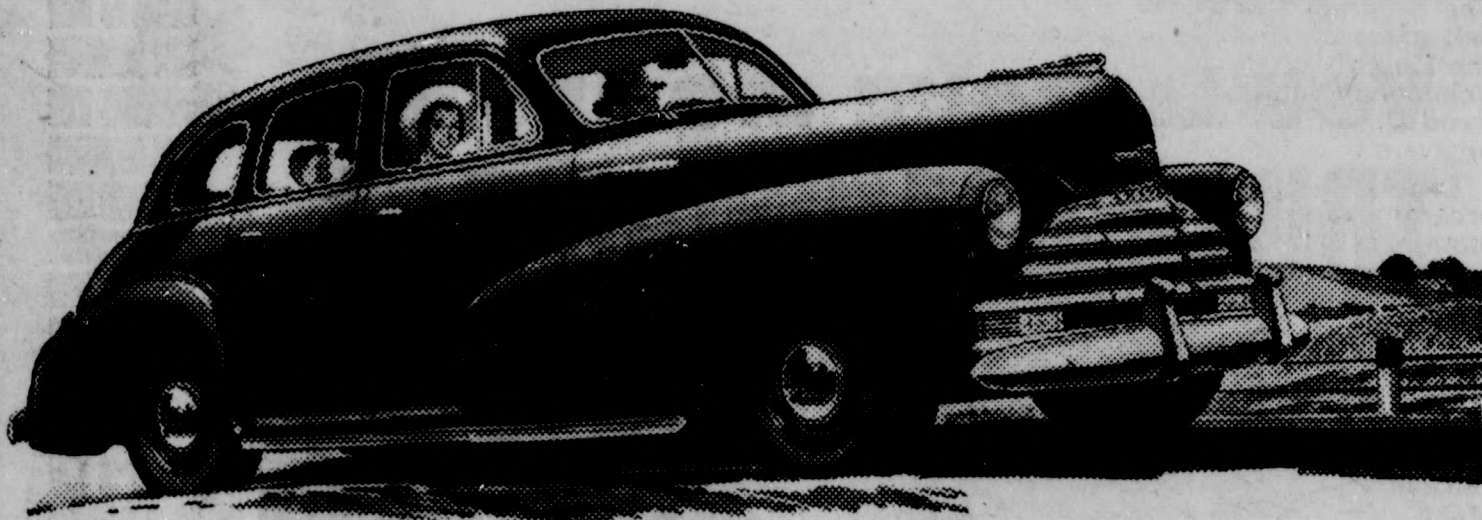

Approved the merger of the Purissima Elementary School District and the Coastside Union Elementary School District.

Handle With Care

Stockings, especially nylons, will last longer in good condition if you wear cotton gloves when washing or otherwise handling them.

Here's how big your enjoyment will be—
and here's how small your cost!

**BIG CAR QUALITY
AT LOWEST COST**

You'll enjoy the Big-Car luxury of this smart, streamlined, style-leading Body by Fisher—with genuine No Draft ventilation, extra-comfortable seats, and every facility for your comfort and safety—for Fisher Bodies are the finest bodies, and they're found only on Chevrolet and higher-priced cars.

You'll delight in the Big-Car comfort and road-steadiness of the Unitized Knee-Action Gliding Ride—giving that smooth, safe, perfectly balanced feeling which makes it seem that car and road are one—another advantage found only in Chevrolet and higher-priced cars.

You'll thrill to the Big-Car performance of a lively, powerful, dependable Chevrolet Valve-in-Head Thrift-Master Engine—the type of engine found only in Chevrolet and higher-priced cars.

Be sure your car is ready for winter! During September and October Chevrolet dealers are making a special point of fall service to demonstrate the excellence of our service facilities and quality workmanship. So bring your car in soon and let us get it ready for the bad weather days ahead.

You'll feel perfectly safe, perfectly secure, thanks to Fisher Unisteel Body, Knee-Action Ride and Positive-Action Hydraulic Brakes—features found only in Chevrolet and higher-priced cars.

OFF THE BLOTTER

A Saturday night guest robbed James Kesinger, 338 Evergreen avenue, of a white gold watch and chain and a wallet containing \$15. Kesinger met the man in a Mission street tavern and invited him to spend the night with him.

Kesinger said he left the watch and wallet on the top of his bedroom dresser when he and the guest went to bed. The man left about 8:30 a. m. the next morning but, according to Kesinger, took the wallet and watch with him.

Kesinger described the stranger as about 35 years old, 5 feet 6, weighing 160 and having blue eyes.

A fishing rod and reel were reported taken from the car of R. G. Davis, 454 Winchester street, on August 28 while the car was parked on Muirwood drive. The rod was split bamboo with a 7 foot tip and a 2 foot butt. The reel was a Capital pflueger of 250 yards capacity with a 60 lb. test line.

The last report from Sacramento was that 17-year-old Harold Mueller, 656 Bellevue avenue, was being held by the local police on a charge of stealing a saddle and spurs. The alleged theft is said to have taken place on August 29. According to the Sacramento police, the saddle was recovered but the spurs were still missing.

Four-year-old Camille Sharon Demo, 807 Heather road, Colma, ran into the side of a moving car in front of her home on Labor Day. She was treated for a bruised temple at Junipero Serra Hospital and dismissed.

During the week 8-year-old George Sutter, 59 Miriam street, was hit on the head with a rock while playing in Marchbank Park. He was taken to the Junipero Serra Hospital and returned home by Sergeant Beecher.

Six-year-old Roy Thetford, 562 San Diego avenue, fell about 15 feet from the balcony of the swimming pool onto the tile floor around the pool on September 2. He was taken to the Junipero Serra Hospital for treatment.

Family Picnic Slated Sunday At Flood Park

San Mateo Council 1348, Knights of Columbus, will stage a huge family picnic on Sunday, September 14, at Flood Park, Menlo Park. The program starts with a baseball game at 11:30 a. m. between the Knights of Columbus and the Columbian Squires team of Redwood City. The remainder of the program is as follows:

Family basket picnic, kiddies' program, races, games, etc., mammoth baseball game, North vs. South for the championship of San Mateo Council, and fun for all.

There will also be swimming throughout the day for those who wish to indulge in that sport.

All committees are working overtime to make this annual affair one of the greatest events ever staged by San Mateo Council. Every member of the Council is urged to set September 14 aside and plan on attending this carnival of fun. An invitation is also extended to Knights from neighboring Councils to come to Flood Park and enjoy a day of fun with their Brother Knights.

Arrange Foster Home Care For Daly City Child

Arrangements are being made by the Children's and Family Agency of San Francisco for a foster home placement of a small child who was found at the Daly City home of her intoxicated grandmother last Thursday morning.

The grandmother had called a San Francisco Emergency Hospital for an ambulance but did not complete the call. The hospital heard the baby crying and traced the call. Daly City police responded and found the grandmother in an intoxicated state and the small child in the house.

A representative of the juvenile department in Redwood City stated that she would not be able to respond for a few hours and the county health nurse in Daly City was out of town. The wife of one of the Daly City patrolmen cared for the baby until authorities could complete the investigation.

The baby's mother later took the child home.

San Mateo Vet Memorial To Aid Transient Vets

San Mateo's memorial for World War II veterans will be in the form of a \$50,000 a year dormitory and service center for transient ex-servicemen and women, William A. Burkett, of San Mateo, state commander of the American Veterans of World War II, announced on Saturday.

The service center will be the first of four such centers established and financed on a \$200,000 trust fund by the Veterans Rehabilitation Foundation Inc., an enterprise of the California Jockey Club. The AMVETS was named trustee for the fund.

Other centers soon will be established in San Francisco, Los Angeles, and Portland. Each of the centers will be placed under the control of a board of directors representing all other chartered veteran organizations.

William P. Kyne, of the California Jockey Club, said that the plan has "a dual advantage of combining commemoration of the war service of the community's citizens, and the alleviation of the suffering that comes from not having the price of a meal or a place to sleep."

At each service center transient veterans upon due certification will be provided with meals and lodging in a dormitory and will be referred to proper agencies for medical and other assistance and will be aided with job placement.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Roy C. Gesenger, 113 East Vista avenue, announced the engagement of their daughter, Carol Bernadette, to Harry Dederman, 76 Tallwood drive, during a small family party at the Claremont in Berkeley last Thursday evening.

Miss Gesenger is a senior at Jefferson Union High School and Dederman, a June graduate of Jefferson, is now employed at the U. S. Printing Co., in San Francisco. Marriage plans are tentative.

New Owners For Sierra Auto Court

Mr. and Mrs. Eugene Keagle have gone into an entirely new line of business. On September 6 they started operating the Sierra Auto Court at 2169 Junipero Serra boulevard. Mr. Keagle formerly was in business with Tony Milo of the Milo Meat Market and also a partner in the Starway.

Mrs. B. E. Smith, the former owner, is leaving Daly City Friday afternoon to make her new home in Sebastopol.

Gee, but I'm glad I met you

FIRE FIGHTERS FACTS

How Safe Is Your Home?

We have made a check list to help you determine whether your home is safe from fire. There will be six questions in the list each week for ten weeks. If you check and correct each item, we feel sure your home will be free from fire.

1. Keep plenty of clean ash trays in all rooms.
2. Be sure inflammable curtains or drapes cannot blow over ash trays, electric bulbs, kerosene lamps, gas or candle flames.
3. At Christmas time, or holiday seasons, take extra precautions to safeguard your home against fire in dried-out-trees or decorations, or from poorly constructed or worn-out circuits of decorative lights.
4. Have fireplace screen to check sparks.
5. Watch for breaks or wear in lamp and appliance cords.
6. Be sure electric circuits are sufficient to carry peak loads, reading lamps, radio, electric heaters, etc. Consult a good electrician.

Eliminate All Fire Hazards In Your Home Today

False Alarms Don't Pay Claim Three Boys of Daly City

On the night of September 4 at 8:10 p. m. box 13 was pulled by three small boys, causing three fire

companies to respond and one company to stand by at the fire station.

When the three companies came to the box, a man came running to the box and told Police Officer J. Welsh that three boys just ran around the corner. In a few minutes Officer Welsh found the boys and took them to the police station, where the boys were questioned. Later the boys were taken home to their parents who were instructed to appear with the boys Monday evening at 8:30 p. m. in the council chambers where Mr. La Voy, juvenile court officer from Redwood City, held a hearing on the case.

Figures were presented by Battalion Chief Benassini pertaining to the cost to the city of Daly City of this particular false alarm which was estimated at \$45.27. The boys' parents each paid \$15.09 to defray the expense to the city.

Each of the three boys were ordered to report to Fire Chief Kennedy once a week, so they will learn the dangers the firemen are required to face in answering an alarm.

Battalion Chief Benassini in his report estimated that the average false alarm costs the city \$39.75, and that so far this year false alarms have cost the city an estimated sum of \$1,742.

Fire Department Is 100% For Elementary School Bonds

At the Fire Department's general meeting September 8 the department went on record in favor of the School Bond Election to be held on September 26, and urged all members to ask their friends and family to vote for the school bonds.

Fire hazards of the old school structures and the overcrowded conditions that now exist were also pointed out.

Department Drill Night September 22nd

A joint drill will be held September 22 by all the companies of the Daly City Fire Department. The drill will be conducted by Fire Chief E. Kennedy.

After the drill, tryouts for the department's horse-shoe team will take place. The firemen feel they should have some competition in a sport as well as in fire fighting. Corned beef and cabbage will be served later.

National Fire Prevention Week October 5th to 11th

The Daly City Fire Department is going to try and drive home to each citizen of Daly City the idea of fire prevention.

The committee, headed by Captain Joyce of Company No. 1, has been working hard to acquire motion pictures and other materials to be used in this campaign against fire menace.

The schools of Daly City will take part in the program, the Daly City Theatre has allotted us time to bring the idea and facts to the adults, and the merchants have been asked for window space for posters and displays.

Some people may wonder why the Fire Department of Daly City became so interested in National Fire Prevention Week. The reason is simply this, "the appalling death

B.B. Gun --- Was Loaded

Michael Nolan, 64 Shakespeare street, was shot in the chest by a playmate on Friday afternoon. According to the police, Thomas Tomey, 57 Shakespeare, and Nolan were in the residence of Julio Ruggiero, 351 Rhine street, when the accident occurred. Tomey, according to Sergeant Beecher, took a B.B. gun which he thought was empty and while he was handling it the gun went off.

Grand Officer To Pay Official Visit To Druids

On Friday evening, September 19, Olive Grove 116, United Ancient Order of Druids of California, Colombo hall, Colma, will be host to Noble Grand Arch E. N. Marelli and his party of grand officers on their annual official visit.

Our members are requested to make every effort to be present at this very important meeting. A banquet will close the ceremony. The occasion is doubly momentous as our noble grand arch is a native of this district, having spent his boyhood around Colma and received his early education in the public schools here.

toll and the great loss in money value to this town and every town in the nation is so much greater than ever before, that something has to be done NOW."

INVITE ALL TO ATTEND DANCE

A cordial invitation to the public is extended by the Italian American Club of Colma and Daly City to attend their dance to be held on Saturday evening, October 4, at 8 p. m. in Colombo hall in Colma.

Daly City Man With U. S. Army In Tokyo, Japan

Corporal Don Wacks of 121 East Vista avenue, Daly City, is now on duty with the famed fighting First Cavalry Division which is now on occupation duty in the ten prefectures of the Tokyo-Yokohama area. The First Cavalry Division fought all the way from Australia in the Pacific campaign of World War II and was first in Manila and first in Tokyo.

Wacks entered the army at the completion of one year of pre-law work at San Francisco Junior College. He immediately furthered his education when he was sent to Fort Jackson, South Carolina.

Having once traveled across the United States, he returned to Camp Stoneman, California, and from there departed for Japan on January 11, 1946. Upon his arrival in Japan he was assigned to Headquarters and Headquarters Troop, 2 Squadron, 8 Cavalry Regiment and is now in charge of information and education.

After the completion of his service Wacks intends to complete his education at the University of California.

His parents, Mr. and Mrs. Samuel Wacks, reside at 121 East Vista avenue, Daly City.

How to climb a telephone pole

One move at a time is the best advice, any telephone lineman will tell you. While you're moving your feet upward and setting your gaffs, concentrate on the job of climbing safely. After reaching the working level, place your safety strap in position around the pole and make sure it is properly engaged with the body belt. Then lean back in your safety belt and go to work.

But it takes practice... and here's where the telephone linemen get it—at one of our 20 special training schools on the Coast. In two years, 5,000 new craftsmen, nearly all of them war veterans, have learned the ABC's of pole climbing at these schools... more men than we've ever trained before in a similar period.

They've joined 20,000 plant telephone men in the big job of catching up with the West's tremendous growth. More than a million miles of wire will be placed this year as a part of that job... a new record. We're going ahead as rapidly as we can to bring you an expanding, improving telephone service.

New Working Dollars... Millions of new dollars needed to build buildings and buy new equipment to meet the public demand for more telephones and more service do not come from tele-

phone bills. New dollars come from people who are willing to put their savings into the business. We must earn enough to attract these new working dollars.

U. C. Reports New Fission Research

The fission reaction previously observed only in the heaviest elements, such as uranium and plutonium, has been produced in five lighter elements by bombardments with the giant cyclotron at the University of California.

Fission in elements as light as tantalum, element 73, and including, lead, bismuth, thallium and platinum, resulted from the impact of ultra-high energy atomic projectiles — deuterons, alpha particles and neutrons — fired from the 4,000-ton atom smasher.

The research, reported in the current issue of the Physical Review, was sponsored by the Atomic Energy Commission.

Dr. Isadore Perlman, associate professor of chemistry and leader of the research group, said fission of this high energy type differs markedly from the slow neutron fission occurring in an atomic bomb explosion. Such high energy fission does not give a sustained chain reaction necessary to cause an explosion; therefore it cannot be used for an atomic bomb. The research is primarily useful in shedding more light on the atomic nucleus.

Collaborating with Dr. Perlman were R. H. Goeckermann, Dr. D. H. Templeton, and Dr. J. J. Howland.

DAV Make Plans To Aid Disabled War Veterans

The Disabled American Veterans of the Department of California will be hosts to several thousand wounded, disabled and injured war veterans in several hospitals and institutions and residents at the Veterans' Home at Yountville in Napa county, on Sunday, October 12.

The major pilgrimage of many visitations by the veterans and the ladies of the D.A.V. Auxiliary will

Shift on Steep Hills

"You are likely to find out some entirely new aspects of driving your car on the long tour," declares L. G. Evans, general service manager of National Automobile Club. "You may, for example, encounter hills far more steep than those with which you are familiar. One likely result is that you will attempt to climb them in high gear. In view of the speed and quietness of second gear, it is a foolish practice. Manufacturers recommend a shift to second when speed drops to 20 miles per hour."

be made to the Veterans' Home in Yountville, where comforts will be distributed to the patients. Talented artists will take part in the show.

Remember Shocks

Shock absorbers, even the most advanced design, will generate considerable heat in operations, reports National Automobile Club. The heat, in turn, will evaporate the fluid with which they are filled. It is one of those natural laws which science has not been able to overcome so the wise motorist will remember that and have the fluid level checked periodically, at least every 10,000 miles.

Don't Cut Curves

Special care on curves, where sight-distance is shortened, is advised as an accident prevention measure. An attempt to "flatten" the curve by cutting across on the inside may cause a serious accident.

Tahoe Trout

Trout fishing in Lake Tahoe is reported by National Automobile Club as improving. Truckee River continues to produce some nice catches for fishermen.

READING & WRITING

BY *Edwin Seaver* AND *Robin McKewn*

One of Ernie Pyle's many narrow escapes occurred at Anzio where he was quartered at a waterfront villa. Awakened one night by anti-aircraft fire, he got up from his bed, put on his helmet, and peered out the window. Sixty seconds or so later a heavy German bomb went off alongside the villa, and others followed. Toppling masonry crushed the just-evacuated bed. Ernie's helmet was blown off his head, and he was severely shaken up, but otherwise suffered only a scratch on his right cheek.

ERNE PYLE

Writing about the incident, Ernie said no, he wasn't nervous afterwards, not at all, except that he caught himself combing his hair with a handkerchief.

"An Ernie Pyle Album" by Lee G. Miller is a fine tribute to America's best loved newspaperman. This is a biography told by photographs and brief text. The pictures came from friends, relatives, chance acquaintances as well as from official military files. They show Ernie from his boyhood days in Dana, up until his last dateline on Ie Shima.

Lee Miller, who prepared this volume, was Managing Editor of the Scripps-Howard Newspaper Alliance and Ernie Pyle's oldest and best friend. From 1935 on, it was he who edited and handled the Pyle column. He was known facetiously as "vice-president in charge of Ernie Pyle."

When the Black Hawk War broke out in 1832, Abraham Lincoln was just beginning his political career. Although he had announced that he was a candidate for election to the State Legislature, he promptly volunteered for service. His experiences as a militiaman often bordered on the comic. All his resourcefulness and adaptability were needed to supplement his scanty knowledge of military tactics. On one occasion, when he was leading his company across a field, twenty abreast, they came to a fence with a narrow gate. Unable to think of the proper command to "turn the company endwise," Lincoln shouted, "Halt! This company will break ranks for two minutes and form again on the other side of that gate!" The movement was successfully executed.—From "The Lincoln Reader," edited by Paul Angle, the current Book-of-the-Month Club selection.

U. C. Polio Research Role Disclosed

A leading role in the nation's fight against infantile paralysis is being played by the University of California Medical Center, it is revealed in the annual report just issued by the National Foundation for Infantile Paralysis.

The report revealed that for the fiscal year ended May 31, 1947, the Foundation made grants totaling \$157,600 for polio research at the

University's Medical Center.

One grant, of \$114,900, was the largest made during this period for research on the prevention and treatment of after-effects of the disease. This research is aimed at learning more about the exact role of muscles in motion and includes studies of how surgery may mitigate the crippling after-effects of polio.

Another grant, for \$42,700, was made to the Hooper Foundation for Medical Research at the Medical

Post Office Needs New Quarters For Three S. F. Stations

The Post Office Department, according to Postmaster William H. McCarthy, has asked for proposals to furnish quarters for new post office stations in three different locations in San Francisco, as follows:

A new station is desired within a reasonable distance from the present Station "F," located at 49 Ocean avenue near Alemany boulevard. Approximately 4,000 square feet of ground floor space are required.

A new station is desired within a reasonable distance from Station "E," located at 216 Townsend street near Third street. Approximately 3,000 square feet of ground floor space are required.

A new station is desired within a reasonable distance of Bayshore boulevard and Leland avenue. Approximately 2,500 square feet of ground floor space are required.

Interested firms or individuals should communicate with Post Office Inspector W. H. Hudson, Room 231, Main Post Office Building, 7th and Mission streets, San Francisco 1, California.

Yeast Adds Proteins to Eggs

As much as 55 per cent protein value can be added to dried eggs if wood-derived yeast is mixed with the product.

Center. Under this grant, Dr. Karl Meyer, director of the Foundation, is leading research in an attempt to learn how polio virus spreads and where it originates, whether from birds, insects or other natural sources.

National Guard Slates Contest For September 16

California National Guardsmen will compete in a two-month recruiting contest starting on National Guard Day, September 16, for a State recruiting prize which will include a trip by airplane to Washington and the Army-Navy football game at Philadelphia, Major General Curtis D. O'Sullivan, Adjutant General of California, today announced.

The California recruiting contest, in which it is hoped to enlist 5,650 recruits in National Guard units throughout the State, will be conducted in conjunction with a nation-wide contest designated the "National Guard Assembly," for which a goal of 88,888 enlistments has been set, General O'Sullivan said. This national goal represents the enlistment of a man a minute during each day of the two-month campaign.

Announcing California's participation in the national contest, the adjutant general explained that, "the new National Guard will expand ultimately to a strength of 682,000 — three times the pre-war force. The California National Guard, which totalled only about 10,000 officers and men when it was inducted into Federal service prior to World War II, ultimately must attain a strength of 43,000, as compared to its current strength of 5,000."

"The California National Guard has a proud heritage of service to the State as well as to the Nation, in both war and peace. The patriotic support of the current campaign by all California citizens will assure the continuance of this heritage in the reorganized National Guard."

Voters Reject 68 Measures in 10 Years

California voters have rejected 68 and approved 48 initiative and referendum measures in the 10 years from 1936 to 1946, a survey by Dr. Max Radin, professor of law on the Berkeley campus of the University of California, reveals.

Dr. Radin's discussion of "Popular Legislation in California" is included in the June issue of the California Law Review, published by the students of the University School of Jurisprudence.

From his study, Dr. Radin concluded that the vote of the people is eminently sane. "The danger of quack nostrums in public policy being forced on the voters by demagogues is demonstrably non-existent," he says. "The representative legislature is much more susceptible to such influences."

The issue of the law journal also includes studies of "The Legality of Parking Meter Ordinances and Permissible Use of Parking Meter Funds" and "Commercial Contracts in Soviet Law," in addition to notes and comment on recent cases.

Brighten your menus with FRESH FALL PRODUCE from SAFEWAY

Lift your everyday meals out of the ordinary with gems of the Autumn harvest. Safeway's produce stands are heaped high with crisp vegetables and luscious fruits ready for your selection. Come in and choose your favorites from this grand array of farm-fresh produce. Note the low prices on each and every item. See how Safeway combines quality and low prices to bring you real savings.

PRICES EFFECTIVE

Thursday, Friday, Saturday, September 11, 12, 13, in San Francisco, Oakland, Alameda, Berkeley, Hayward, Richmond and other cities and towns in Alameda, Contra Costa and San Mateo counties.

Enjoy new treats
with autumn produce

by Carol Drake

CARROTS WITH ONIONS: Introduce the two to the frying pan. Cut carrots in thin penny-wise slices; then fry slowly with a third as much finely sliced onion in hot drippings; cover pan. Season. Like new pennies from heaven.

HAVE ONION JUICE without shedding tears. Cut onion in half and squeeze it over the reamer, orange-juice style.

EGGPLANT A LA SANDWICH is started by cutting medium-size eggplants into half-inch slices. Dip into salad oil; salt and pepper, and broil 5 minutes on each side. At same time broil without turning an equal number of thick salted tomato slices; when tender, top with thin slices of cheese and let it melt under broiler. To serve, top eggplant with a slice of the tomato and cheese.

A LIGHT TOUCH OF MACE OR MARJORAM in baked winter squash is like the right touch of lipstick to a lady.

SURPRISE FILLING FOR BAKED TOMATOES: Into unpeeled, drained tomato shells spoon a mixture of chopped cooked broccoli, the chopped tomato centers, a little onion and salt and pepper. Bake uncovered in moderate oven till tender—about 20 minutes. Sprinkle grated cheese on tomatoes just before coming-out time.

TOAST COCONUT to top mashed sweet potatoes. Everyone races to the table.

CABBAGE CASSEROLE is a meal-time treasure. Shred and arrange half a head in layers in greased casserole with a cup each of sliced celery, sliced green pepper, sliced ripe olives. Generously dot with butter; season with salt and pepper. Add 1 cup water; bake covered at 375° F. about half an hour.

CONSUMME VEGETABLE SAUCE just suits Long John string bean. Cut beans in lengthwise strips; cook to tender in boiling water to cover. For sauce: Blend 2 tablespoons flour into 3 tablespoons melted butter; stir in 3/4 cup beef consommé. Cook sauce till it thickens and bubbles; pour over beans.

Carol Drake, Director
The Homemakers' Bureau
An Extra Safeway Service

P. S. Handling with care keeps vegetables at their fresh best. (1) Buy fresh vegetables that are really fresh. (2) Prepare for storage immediately; wilting vegetables spell loss of vitamins and flavor. Wash quickly; don't let them stand in water. (3) Drain and store closely covered in refrigerator. Potatoes and similar vegetables prefer a dark, cool, moist storage place. (4) Cook vegetables quickly in as little boiling water as possible.

Tomorrow's Decor Today

SMART living room corner showing several new and interesting ideas featuring plastics in interior decoration. Almost everything in the setting is plastic... except the girls, of course. Furniture is covered with the new "Vinylite" plastic upholstery material which is as durable as it is attractive. And most important to the homemaker is the fact that light colors are no longer a luxury, for this versatile plastic can be merely wiped clean with a damp cloth. It's highly resistant to alcohol and greases and is waterproof and vermin-proof.

This same plastic, in a lighter weight, also makes the draperies. Two different colored films are used and a most unusual effect is achieved

by hanging them one in front of the other. This gives an iridescent glint to the shimmering material. No need to worry if a sudden rain comes through an open window; these curtains are waterproof anyway.

The lamp shades are news indeed for they are made of the most modern material combining "Vinylite" resins and glass fibers. The textured effect strikes a decorative note and is serviceable, too, for it is easily cleaned with soap and water.

Today's hostess and homemaker will appreciate these plastic materials. Their beautiful color, enduring finish, resistance to water, abrasion, and aging bring into reality the theme of functional and lasting beauty.

Use Brakes Properly

"The best of brakes in perfect adjustment sometimes can be dangerous if used improperly," declares Bert Stewart Jr., public safety director of National Automobile Club. "Brakes never should be applied any harder than necessary to make the required stop. Hazards should be noted while they are far ahead and decisions made promptly. If a stop seems necessary, act immediately. If it can possibly be avoided, never jam the brakes down hard and hold them there."

"It is best to stop the car with a series of impulses in diminishing cadence. Particularly on wet or slippery roads, the brakes should not be suddenly applied unless quite necessary. And if the car goes into a spin, it is the accelerator, not the brakes, that will straighten it out. Never brake in the middle of a turn. Brake before reaching the turn and then accelerate slightly to round it. This will prevent the car from sliding into the curbstone or gutter."

News Column For The Vets

More than 13,000 veterans a day are receiving treatment and care in Veterans Administration hospitals and domiciliary homes in the VA Branch 12 area (California, Arizona, Nevada and Hawaii).

Under VA's new Department of Medicine and Surgery the finest doctors on the west coast are contributing their time and talents to treatment of veteran patients.

VA recently compiled the 10 questions veterans ask most frequently about hospitalization at government expense. The questions and answers follow:

Question: Just which veterans are entitled to hospitalization in a VA hospital?

Answer: Veterans with service-connected disabilities have top priority for VA hospital care. Veterans with nonservice-connected ailments may be hospitalized under the existing law if beds are available and if they say they cannot afford treatment elsewhere.

Q. How and where do I apply for hospitalization?

A. See your nearest VA contact representative or apply at a VA regional office or hospital. A letter addressed to the nearest VA office also will suffice. In an emergency, call the nearest VA office, collect. VA representatives will then handle the necessary application and other forms.

Q. Do I have to pay anything for VA hospitalization?

A. No. All charges are borne by the Federal government.

Q. Can I go to a private hospital in my home town and have VA pay the bill?

A. Yes, if you have a service-connected disability and receive VA's

approval first.

Q. What papers should I bring with me when I apply for VA hospitalization?

A. Bring your honorable discharge certificate or a certified copy. If you already have been granted compensation for a service-connected disability, all you need is your "C" number.

Q. Will VA pay for the medical care of my dependents?

A. No. Under existing laws, only veterans are eligible for VA hospital care.

Q. Do I have a choice as to which hospital I will go to?

A. Generally, a veteran is assigned to the hospital nearest his home. However, crowded conditions in certain hospitals, or the type of injury or disease suffered by the veteran and similar conditions might result in the veteran being assigned to a special center or hospital in another section of the country.

Q. Can my relatives visit me while I am in the hospital?

A. Yes. All VA hospitals have special hours set aside each day for visitors, the same as civilian hospitals.

Q. Will my disability compensation be taken away from me if I am hospitalized in a VA hospital?

A. If you are single, your compensation will be paid to you in full every month for the first six months; but, if your treatments or care extends beyond six months, your monthly benefit payment may not exceed 50 per cent of the regular rate, or \$30 per month, whichever is the greater. If the regular rate is \$30 or less it will not be reduced. Upon discharge by VA, you

Women Of Moose Will Initiate New Members

A new class of candidates will be initiated into the Women of the Moose during the regular monthly meeting tonight. The meeting of Chapter No. 739 will be held at 26 Seventh street at 8:15 p. m. Elsie Klingler, publicity chairman, will be assisted as hostess by Lucille Peterson, chaplain, and Leda Adams, sentinel.

The friendship breakfast for members will be held at the home of Alma Nitler, of Oakland, on September 28 at 10 a. m. The state convention will be held in Santa Cruz from September 17 to 21.

Klamath River

Sportsmen have recently had some very good days of salmon fishing on the Klamath River, Del Norte county, declares National Automobile Club. It would appear that the annual salmon run has started, although steelhead has slowed up.

Happy Journey

Careful observance of traffic laws and strict adherence to driving courtesies on California's crowded highways will go far toward making your motor trip safe and pleasant.

will receive a lump sum equal to the amount that was withheld after the six-month period. If you have a dependent or dependents, your compensation payments will continue at the full rate for the entire period of your hospitalization.

Campaign To Save Cable Cars Now Under Way

Beginning its intensive campaign for local voters, the citizens' committee to save the cable cars launched its speakers' bureau this week, announcing that more than 500 civic and fraternal organizations located throughout San Francisco neighborhoods had requested volunteer speakers before November elections.

For the first time men signed up to take an active part as speakers for the save the cable car committee, which has been spearheaded by a women's group for the past three months. Eleven San Francisco men together with a corps of women volunteers will begin speaking engagements at luncheon, dinner and night meetings here in San Francisco. Male speakers are: Thomas Price, Harold T. Powers, Kenneth B. Marley, George V. Ginsberg, S. F. Schroeder, Leonard Taber, Alfred Myers, Roger Deas, Daniel Berwick, Jules Charbneau and Arneka Jackson.

Heading up the speakers' bureau is Mrs. E. O. Kelsey, charter committee member and vice chairman of the cable car committee. First meetings include the American War Mothers, Central Mission Improvement Association, Mission Viaduct Terrace Improvement and Sunset Community Improvement Clubs.

At the same time, Mrs. Hans Klussmann, committee chairman, disclosed that fund raising for committee activities which started last week, has been progressing slowly.

"To date, we are amazed and gratified at the response from out-of-towners. These are unexpected

CONTINUE GUARD AGAINST INSECT TROPICAL DISEASES

California has escaped the wartime danger of tropical disease epidemics brought in accidentally by returning troops or by insects carried on ships and airplanes.

The disease menace still exists due to growing commercial sea and air traffic with the Orient and Pacific islands. Strict wartime vigilance against the diseases should be continued in full force.

So writes Dr. William B. Herms, retired University of California College of Agriculture insect specialist and consultant to the State Board of Public Health, in the August California Medicine magazine.

During and shortly after the war, the Army, Navy and Public Health Service intercepted many dangerous insect carriers at quarantine barriers.

"Everyone concerned with the work then was on his toes," Herms said. "We should not ease up now."

He advocates that efficient quarantine barriers be maintained at distant Pacific islands, at Hawaii, and especially at California sea and air ports. More than 99 per cent of all Army hospitalizations due to tropical diseases were insect-borne infections, Herms points out. Only disinsection of each arriving plane can stop a possible insect invasion.

contributions and are coming in every day even from outside of this State."

Legislation Supports School Safety Programs

Two outstanding school safety programs, the School Safety Patrols and Driver Education and Training, were accorded recognition by the 1947 California Legislature, which passed measures designed to promote these activities in the classrooms of the state. Both measures were supported by the California State Automobile Association, which for many years has actively sponsored the organization of Safety Patrols and the installation of driver training courses for high school students.

The new law relative to School Safety Patrols, effective September 19, authorizes establishment of Safety Patrols by any school district, under rules and regulations to be adopted by the State Board of Education. Patrol members are to be selected by school principals with the consent of the students and their parents or guardians.

The law limits activities of the Safety Patrols to giving signals and directions enabling school pupils to cross streets and highways, but it makes violation of such a signal by a motorist a misdemeanor. Cooperation of chiefs of police and the chief of the highway patrol, within their respective jurisdictions, is authorized, as is also the expenditure of school district funds to carry out the purposes of the law.

The new driver education and training law authorizes secondary

schools to give instruction in this subject. While the establishment of such courses is optional with school districts, the law requires that when the course is instituted, it becomes compulsory for all students in the school except those who have already completed the course in another school.

Supplementing this law is another measure which authorizes issuance of an instruction permit to any person who is taking a

HUGE SUCCESS FOR DAHLIA SHOW

The First Annual Dahlia Show sponsored by Orlando Poletti was a decided success and shown above are just a few of the 31 entries from individual and commercial dahlia growers in Northern California. The show was held recently at the showroom of the Geneva Florist at 910 Geneva avenue. Ribbons were awarded to the first three winners. Judges were Glen T. Mack, of the Dahlia Society, Ernest Swanson, of the Beauty Garden Supply, and Enrico Datello, of the Pelicano Nursery. Poletti says he is both surprised and grateful at the wonderful response and he believes that the people of the district have shown by their response that they definitely want this kind of an event.

WHERE TO GO --- WHAT TO SEE --- WHAT TO DO

There's plenty of fun afoot for week-end travelers over September 12, 13 and 14. County fairs and horse shows are in the majority with a variety of other events making a well-rounded list.

Shasta County Fair, Anderson, September 11-14

Butte County Fair, Gridley, September 11-14

Sport Carnival, Martinez, September 12-14

El Dorado County Fair, Placerville, September 12-14

Model Airplane Meet, San Francisco, September 13-14

Free Orchestral Concert, Stern Grove, San Francisco, September 14, 2 p. m.

San Mateo County Fair & Floral Fiesta, Bay Meadows, September 9-14

First Annual Junior Gymkhana Club Horse Show, San Mateo, September 13-14

Mother Lode Fair and Horse Show (Tuolumne county), Sonora, September 12-14

Merced County Fair, Merced,

September 9-14

Tex Rankin Memorial Air Show, Tulare, September 14

Garden Tour (Montecito), from Santa Barbara Civic Recreation Center, 2 p. m., September 12

150th Anniversary Celebration, Mission San Fernando, September 14

Mexican Independence Day Celebration, Olvera St., Los Angeles, and other Mexican colonies in Southern California, September 15-16

Antelope Valley Fair, Lancaster, September 11-14

Orange Harvest Festival, Orange (Santa Ana county), September 12-13

California State Water Ski Championships, Lake Arrowhead, September 13-14

4th Annual Broadview Farm Horse Show, San Diego, September 14

Star Light Opera, closing performances, September 10 - 14, ("Mlle. Modiste") Wegeforth Bowl, Balboa Park, San Diego.

ANDERSON: Shasta County Fair (27th Agric. District), September 11-14. September 11 is "Redding Day"; horse show Friday and Saturday nights, September 12 and 13, and Sunday afternoon.

GRIDLEY: Butte County Fair, September 11-14, Gridley Municipal Park. Premiums totalling \$25,-

000 have been posted as prizes for livestock, agricultural and horticultural products, domestic arts and sciences exhibits, organization booths, and minerals and mining. Entertainment features will include an amateur rodeo, band concerts, variety shows, a horse show, animal acts, livestock parade and a calf derby.

PLACERVILLE: El Dorado County Fair, September 12-14. Sponsored by El Dorado Post No. 119 the American Legion. The El Dorado Pageant, depicting the county's growth from Indian days through the Gold Discovery to the present, will include scenes of the Vigilantes, the Freight Team, the Hanging, the story of how Placerville came to be known as "Hangtown," the Gold Discovery, the first railroad in California and many others. Other events include the John Studebaker Wheelbarrow race, and a horse show Saturday and Sunday afternoons.

SAN FRANCISCO: Model Airplane Meet. Golden Gate Park, September 13-14. Sponsored by San Francisco Junior Chamber of Commerce.

BAY MEADOWS: San Mateo County Fair and Floral Fiesta. September 9-14. SONORA: Mother Lode Fair and Horse Show. September 12-14. All-Western Horse Show, Friday and Saturday nights, a Wild West Show on Sunday afternoon, September 14. For the first time in several years Tuolumne county's fabulous gold collection will be shown.

MERCED: Merced County Fair. September 9-14. Floriculture, Domestic Science, Agriculture, Horticulture, Future Farmers Livestock and many other exhibits. Water Follies at 2:30 and 8 p. m. Tuesday, Wednesday and Thursday. Friday, Farmer's Day Livestock parade at 8 p. m. Saturday, Historical Pageant-Parade at 1:30 p. m., rodeo at 7:30 p. m. Sunday, Rodeo 2:30 p. m., Free acts at 8:30 p. m. Foley and Burke carnival every afternoon and evening.

Vatican Choir Gives Concert September 23-24

Lovers of sacred music as well as music lovers in general will have an opportunity of seeing and hearing one of the world's outstanding composer-conductors of religious music when Rt. Rev. Msgr. Lucinio Refice directs the Vatican Choir in Civic Auditorium, San Francisco, September 23 and 24.

Msgr. Refice has been extolled by the maestro, Arturo Toscanini, a very close friend, who has called him one of the greatest living composers and has said that, were it not for his priestly vestments, he would certainly become the greatest living composer today.

The Vatican Choir is making its first tour outside Vatican in Rome, through special dispensation of the Pope. They were sent on this world-girdling tour in the interests of amity and good will among peoples

of all nations. The choir of sixty voices, ranging in age from eight to sixty years, will perform sacred music of the Jewish and Protestant, as well as the Catholic Church.

It was Refice who conducted the choir at the recent elevation of the group of Cardinals from the United States in Rome. His famed mass, composed in honor of Mother Cabrini, the first American saint, has been performed all over the world. He conducted at the ceremonies of canonization when the nun became St. Frances Cabrini.

The performances at the Civic Auditorium in San Francisco are being dedicated to the Archbishop Hanna Center for Boys, one of the foremost youth programs in the country.

For his appearances in San Francisco, Msgr. Refice has found time to teach his choir "The Star-Spangled Banner," and to compose a special number dedicated to President Truman and the great American people. These two numbers will open both concerts at the Civic Auditorium. In addition, his famed "Eulogy to the Dead of World War II" will also be performed.
